

A photograph of two women celebrating at a Christmas party. The woman on the left has dark curly hair and is wearing a maroon sequined top, smiling and holding a champagne glass. The woman on the right has straight dark hair with bangs, wearing a black top and a red tinsel skirt, blowing a party horn into her mouth while holding a champagne glass. They are sitting on a light-colored sofa. The foreground is decorated with gold and black balloons and gold tinsel garlands.
